October 27, 2017

COMMITTEE REPORTS

LCAP

There will be an addendum to the LCAP for Title III compliance. Miss Reese will bring the details of how to attach this information to the LCAP team in December. We will also set our LCAP timeline during that time.

ELAC

The ELAC had its first meeting of the year on October 20th. Mariana Lopez was elected president, Angelica Leon: vice president, and Yolanda Zavala was elected secretary. Twenty- two families were in attendance at the first meeting. The board voted to keep the ELAC active and not delegate its responsibilities to the SSC for the next two years. Families received training from Christina Espinoza on the importance of attendance. Then Ms. Reese gave training on the school's site plan for English learners including ELD. Finally the parents read and completed an activity around information released by the state about the new EL test called the ELPAC. Our next meeting is scheduled for December 8th.

Student Government

Counseling Committee

Education Committee

The Education Committee continues to meet virtually; however, because of the frequency of staff communication during our Wednesday meetings, there has not yet been a need to meet in person. The committee have all submitted their department/grade level goals and they are now housed in the 2017-2018 Education Committee folder which is shared with everyone at the school. The committee will continue to approve field trips and conduct business online. The next scheduled meeting (if needed) is on Tuesday, January 30th.

Parent Committee

Finance and Development

Ms. Reese and Mrs. Jefferson will be holding the first Development Committee meeting on November 28th.
